IN OUR HONEST OPINION ...

there is no better tire value than ATLAS

And it isn't just opinion, either. There's plenty of fact behind it... For instance...in 16 short years, growing on

its merits and without national advertising...

the ATLAS Tire came from nothing to its present wide acceptance...with 25,700,000 sold to date! Furthermore...at Esso Dealers, Standard Oil backs the ATLAS Tire with what we believe to be the broadest, plainest, written warranty

offered on any tire. Drop in and read it some-

time and see for yourself...

The Sign of "Happy Motoring"

And finally...wherever you go on ATLAS Tires, in the 48 States and Canada...over 33,000 on-the-spot roadside sales and service stations are equipped and authorized to make good on any ATLAS warranty and to give expert tire service.

> Next time you buy tires, try ATLAS. In our honest opinion there is no better tire value. Make your next tires

ATLAS . . . the tire that makes good on the road. Your Esso Dealer sells Atlas Tires ... with these important features!

V-2 RUNNING AMOK Clogged Lymphoid Glands Are Source Of Danger to Body

By HERMAN N. BUNDESEN, M. D. perform much the same function as the oil filter in your car, for the latter filters out dirt, and the former filters out germs and infec-

infection is frequent or of long iuration, the filters themselves should become clogged with these toxic materials. When they do, they reverse their role and instead of affording protection, become a source of danger.

Filtering Stations Now, one of the greatest of these It consists of the tonsils and other ymphoid glands there.

Repeated infections of the nos and throat cause these lymphoid the process they increase in size. Then an excessive amount of muus is formed in the throat which blocks breathing and the opening of the eustachian tubes which lead rom the throat to the middle ear. When in this condition, accordng to Dr. Gilbert E. Fisher, Birmingham, Ala, these tissues be come very nests of infections, fections which may spread to the sinuses in the nose, the ears, the sipe and bronchi, or the small air passages in the lungs

Lowered Resistance Furthermore, Dr. Fisher thinks his also lowers the child's resisance to infections. In older children, a condition known as grann lar pharyngitis may develop in which the throat is reddened, the lymphoid tissue coughing occurs frequently.

This grandular pharyngitis may

develop into recurrent sore throat, condition which is seen in adults Also, a chronic or long-continued obstruction of the eustachian tuber might develop, leading to a form of deafness which is quite comm Because of these facts,

Fisher believes that it is important to treat the lymphoid tissue in the throat and back part of the treatment will cause the lymphoid tissue to waste and disappear. The treatments not difficult to carry During the first week following
